**2015/2016 Acknowledgment of Self Responsibility and Release**

I understand that bird outings involve some risk to my health and equipment, in part due to rough, unsteady, slippery, or uneven surfaces and terrain as well as local plants and wildlife. I agree to assume these risks in their entirety when participating in a Sun City Hilton Head Bird Club event. I also understand that while others may have skills and/or knowledge greater than mine, they are not responsible for my well being. I agree to inform my fellow birders of any significant aspects of my physical condition or medical history that might increase the risk to others or myself. I give permission to participants to seek medical treatment for me should I require it during a Sun City Hilton Head Bird Club event. I agree to exercise judgment in a manner consistent with my physical fitness level, knowledge, and experience.

I have read this statement and fully understand its content. I am aware that I am releasing certain rights on behalf of myself and my family in return for being permitted to participate in The Sun City Hilton Head Bird Club events. I totally and completely release and absolve The Sun City Hilton Head Bird Club, its members, its officers, and all trip/event participants from liability of any sort relating to bodily injury or damaged equipment.
